Cleveland, Ohio--- Dick Goddard will be a special guest at The Singing Angels spring concert, “Thank You For The Music” on Sunday, May 20, 2007, at 3 p.m. at the State Theatre in Playhouse Square. At this spectacular event, Cleveland’s world-renowned youth chorus, will present their newest selections of family music and choreography.

Songs will be featured from “The Sound of Music” and “Mamma Mia” but no Singing Angels concert would be complete without an exciting assortment of barbershop, swing, and patriotic songs designed to thrill audiences of all ages. Come hear over 250 musically talented boys and girls, ages 8 to 18, singing and dancing their way into our hearts with a refreshing look at the sounds and beauty of Spring. Come on down to the State Theater with your family and friends to this wonderful event.

They have thrilled Presidents and Popes, and have appeared with such noted stars as Celine Dion, Eartha Kitt, Bob Hope, Kenny Rogers, B.J. Thomas, and Roberta Flack.
